

Health & Safety Rules

Room 15

Health & Safety is the single **most important** issue in the Woodwork Room.

1. All coats and bags must be placed **under your work bench** at all times.
2. Only **two students** to a workbench at any one time.
3. **Never** use any hand tools or machinery until shown how to by your teacher.
4. **Never** use any hand tool or machinery without the teachers permission.
5. Only **two students** to a machine at any one time.
6. **Never** enter **yellow** boundary lines.
7. Note the **colour coded safety rules** displayed throughout the room.
8. Pay attention to demonstrations **at all times**. Remember it is for **your** benefit.
9. All safety equipment **must** be worn where necessary (see signs).
10. It is **your responsibility** to leave the classroom tidy and remove any waste from your workbench and machinery in the bins provided.

If you are unsure of anything just ASK!!!
